

Craggan Golf Course and Fishery

Dear Member. Another year has gone and although the summer wasn't perfect it was at least passable and I think we had it better than most. Again Dennis did a fine job of looking after the course, which was in excellent condition all summer, particularly the greens, and my thanks go to him for all his hard work.

Thank you to all those who write in the folder on the first tee. It is my only way of keeping a record of those who don't go into the clubhouse, particularly after hours. A total of 378 rounds were entered. I would be very grateful if as many of you as possible could enter your names so I can keep an accurate record of members rounds.

Visitor numbers were down again last season by slightly over 10% and the same was true on the fishery, but we are working hard on publicity and hopefully next year will see a turn around.

My thanks must also be extended to all those who help with the club and the running of competitions. Their time is much appreciated and I know they would be happy to get a few more people playing in the competitions.

Keith and Jill Ballam have taken over running the outdoor activities centre and the clubhouse at Craggan. They have moved here from the south of England with their two children and now live in Dulnain Bridge. Keith was the director of a travel company and is keen to develop a strong relationship with the golf club. To that end he has started by making improvements to the clubhouse, new sofas, greatly improved cleanliness and a much fresher and more welcoming atmosphere. The plan is to keep the clubhouse open as much as possible over the winter although there may be times when it has to close. Meals and snacks will be served throughout the day from 8 am. Why not come and buy your **Christmas tree** at the clubhouse and try out the café while you are there.

Christmas presents

Why not give a season ticket as a Christmas present, and remember, you get a 5% discount if you pay before 31st December 2008.

If you wish to do this, send the correct amount to the address overleaf and I will send you a voucher for a season ticket

As in the past I will be issuing membership cards to season ticket holders. With this in mind, please send a passport sized photograph with your renewal form and a stamped addressed envelope if you want your card sent to you, otherwise you can collect it in the clubhouse at the beginning of next season.

Please do try to enter some of the club competitions, you are all automatically members of Craggan Golf Club when you pay your dues and if you have a handicap you just need to turn up and play on club competition days which will be listed on the website.

If you have not got a handicap and want to get one do three rounds of golf at Craggan with a friend who must fill in your scorecard for you, mark the scorecard 'for handicap' make sure to sign it and post it in the club box in the clubhouse or in the black letterbox on the back of the clubhouse. Your handicap will be put up on the club notice board.
